WELCOME TO BAR BISTRO SAAM

Bar Bistro SAAM is a tribute to the river Maas, a river that reflects our city and connects its citizens. It is the main breeding ground for everything Maastricht has to offer. Not only for the typical materials that we use in our furniture, but also for the tasteful ingredients of our dishes. You are welcome at SAAM from sunrise to sunset to meet and relax, enjoying everything the river Maas produces.

Our food vision

A sustainable future starts with us. At Bar Bistro SAAM we want to treat our environment in the best way. Together with our partners and suppliers we can make a difference. By focusing on the right issues, we take care of each other and the next generation.

Let this food book inspire you. Are there any special wishes? Please let us know. We will be happy to make you a tailor-made proposal.

With kind regards,
